

Tucker's SEPTEMBER TIPS

*Welcome Fall - Be Prepared, Stay Connected,
and Enjoy the Season!*

September brings cooler evenings, changing routines, and two useful reminders: National Preparedness Month and Life Insurance Awareness Month. Tucker says a few simple checks now can help protect the people and pets you love.

FALL

WELCOME COOLER DAYS

Keep a light jacket handy, use extra care on damp leaves, and carry a flashlight or wear something reflective when walking after dusk.

TEST

CHECK YOUR SAFETY DEVICES

Test smoke and carbon-monoxide alarms and replace batteries if needed. Review your household escape plan and emergency meeting place.

FILE

ORGANIZE IMPORTANT PAPERS

Keep insurance policies, medical information, emergency contacts, and medication lists together. Tell a trusted person where the file is kept.

CALL

CHECK ON SOMEONE

A short call or visit can brighten the day of an older relative, friend, or neighbor - especially as daylight hours grow shorter.

STOP

PAUSE BEFORE RESPONDING

Unexpected callers, texts, and emails may create urgency. Never share personal or banking information until you independently verify who is contacting you.

TREAT

TUCKER'S SEPTEMBER TREAT

A small spoonful of plain, unsweetened pumpkin can be a seasonal dog treat. Avoid pie filling and added sweeteners, and ask your veterinarian about dietary restrictions.

One Friendly Reminder

September is Life Insurance Awareness Month. Review your beneficiary and payment information, and make sure someone you trust knows where your policy is kept and whom to call.
