

Tucker's **OCTOBER TIPS**

Enjoy Autumn - Stay Safe, Stay Connected, and Be Prepared.

October brings crisp air, colorful leaves, shorter days, and Halloween fun. Tucker says a few simple seasonal reminders can help keep your home, family, friends, and pets safer this fall.

FALL

ENJOY THE FALL COLORS SAFELY

Wet leaves can be slippery on sidewalks, steps, and trails. Wear sturdy shoes, use handrails when available, and take a little extra care while enjoying autumn outdoors.

LIGHT

BE SEEN AS DAYS GET SHORTER

Sunset comes earlier in October. Carry a flashlight or wear something bright or reflective when walking after dusk, and watch carefully for pedestrians when driving.

HOME

GET READY FOR COLDER WEATHER

Check your furnace filter, look for drafts, and make sure outdoor faucets and hoses are ready for colder nights. A few small checks now can prevent bigger problems later.

STOP

WATCH FOR SEASONAL SCAMS

Unexpected calls, texts, and emails may try to create urgency. Do not share personal, banking, or account information until you independently verify who is contacting you.

CLOCK

FALL BACK NOVEMBER 1

Daylight Saving Time ends Sunday, November 1. Set clocks back one hour before bed Saturday night, and use the occasion to check smoke and carbon-monoxide alarms.

TREAT

TUCKER'S OCTOBER TREAT

Halloween candy is for people, not pets. Keep chocolate and sugar-free candy containing xylitol safely out of reach, and give Tucker's friends a dog-safe treat instead.

One Friendly Reminder

Take a few minutes this month to make sure your important papers are together and that someone you trust knows where to find your insurance policies and other important information.
