Do you need a new car? Are you tired of shopping around and getting pressured into something that doesn't suit your needs? Well look no further and come see Patryk at South Pointe Toyota! Owning a fun, practical and reliable car has never been easier! And with the purchase of a vehicle you receive a 30-minute massage gift card to Optimum Wellness Centres.

My name is Patryk Arkuszynski and I am a Product Advisor at South Pointe Toyota. As a life-long car enthusiast, I am a firm believer that a vehicle should fit an individual's lifestyle, and not the other way around. In today's busy society, people need vehicles that are reliable, efficient and affordable. Most of all, they need choices when purchasing a vehicle. For these reasons, I am proud to work at South Pointe Toyota.

I am a fairly new Product Advisor with Toyota, focusing on building my customer base on the foundations of trust, transparency and positive attitude. I have been in the car industry since the beginning of 2017. During these last few months, I have made some lasting impressions on customers who were looking for a new vehicle, and needed different options in finding one best suited for them. My passion for cars reflects the way I do my job as I can relate to customers and treat them the way I would want to be treated when purchasing a car.

South Pointe Toyota is a fairly new dealership, being open for just over 5 years. In that short amount of time we have accomplished some very important goals. We are Calgary's highest volume Toyota retail dealer, and placed 7<sup>th</sup> in Canada out of 240 Toyota Dealerships. We have the highest rating in Canada in the service facility rated by our customers. This as a result of the professionalism and courtesy provided by staff, and the mindset to ensure that customers not only find a good vehicle, but the right vehicle!

South Pointe Toyota sells both new and pre-owned cars, so if you are in the market for a new vehicle and want to be treated fairly, make sure to give me a call! I am always looking for new customers and referrals. If you purchase a vehicle through me, you receive a gift card to Optimum Wellness Centres for a 30-minute massage.
