TREC Legal Update 2
4 hrs. CE, Course #47601

Did you know that as a license holder you have legal requirements and regulations for engaging in the real estate business? Perhaps you also belong to a trade association connected to the real estate business that has a code of conduct and you see that as a requirement for engaging in the business. There is more to your requirements than a trade association expectations. It is every license holder ' s responsibility to know and operate under the current
laws applicable to their license. The course covers the requirements Texas law places upon all license holders regarding ethical conduct when facilitating a real estate transaction.
