TREC Legal Update 2
4 hrs. CE, Course #10014

Did you know that as a license holder you have TREC ethics standards for engaging in the real estate business? Perhaps you belong to a real estate trade association that has a code of ethics as a requirement for engaging in the business. Texas law and the various trade association code of ethics are similar yet not identical. This class is about your license requirements not, trade association expectations. The course covers the requirements Texas law places upon all license holders regarding ethics and conduct when facilitating a real estate transaction.
