New-Home Construction and Buyer Representation Professionals, Product, Process
8 hrs. CE, course #37690

This course will serve as an introduction to the new homes sales market for real estate sales agents. The course consists of three modules to address what a buyer's representative needs to know in order to succeed at representing buyers in the new-home sales market. Students will gain an understanding of the new home sales process and the type of services the buyer needs. They will also learn where and how to find new home sales business.

The goal of this course is to help licensees gain the product and transaction knowledge needed in order to guide buyer-clients through the steps and processes
