Introduction to Fortified Homes & Roofs
2hrs. CE, Course #06066

This comprehensive 2-hour course is designed to provide real estate professionals with an in-depth understanding of the Fortified Home Program. As the demand for resilient and durable homes increases, especially in areas prone to natural disasters and severe weather, this course equips agents with the knowledge to confidently inform and advise homeowners about the benefits and processes associated with the Fortified Home certification.
