Death on a Property
3 hrs. CE, course #06375

This course is designed to equip real estate professionals with the knowledge and tools necessary to navigate the sensitive and complex issue of death on a property. Whether dealing with natural deaths, suicides, accidents, or homicides, agents must understand how such events can impact property value, buyer perception, and disclosure obligations. The course explores the legal and ethical statutes regarding disclosure requirements in Texas, the ethical considerations when working with both sellers and buyers, and best practices for managing the investigation and remediation process.
