

# ANNUAL APPEAL

**Thank you for being part of another year dedicated to preserving the history and spirit of our community.** Your generosity makes the work of the Greenlawn-Centerport Historical Association possible and helps safeguard the historic places that tell the rich story of Greenlawn and Centerport. Because of supporters like you, we were able to offer meaningful programs and events this year, including the Pickle Festival, which cost over \$20,000 to host.

Your contributions directly support the care and preservation of the **c. 1730 Suydam Homestead, the c. 1750 John Gardiner Farm, and the beloved Historic Lollipop Farm Train.** While only the Lollipop Train is currently open to the public during the summer, your support is bringing us closer to safely reopening both historic houses for regular tours.

As we look ahead to the coming year, **your support is more important than ever.** With each step forward, we are improving collections care, stewarding our historic sites, and preparing them for a new chapter of community engagement.
