ARLINGTON FIRST STEPS

INFANT THROUGH AGED 5

We start by learning the first step to making right choices is trusting that God's way is perfect!

Here we sing, play and learn more about how God made us, loves us and wants to be our friend forever.

The children aged 5 and younger are attended to in the nursery room with loving volunteers who care for them during this time of ministry to their families.

CURRICULUM

We teach the Arlington Kids a Bible lesson each week. The kids are taught with object lessons, engaging activities, Bible coloring pages, games, and crafts. Different materials are provided during class for each age group in attendance. The kids cook, create, and minister to others! We take field trips!

The kids watch animated Bible lesson videos, are given beautiful handouts, and are provided daily discussion questions to give their parents.
