

For 2023: New Ticket Pricing

You know how costs are going up...especially for live performances? That can be an “ouch” on your pocketbook.

Pentacle Theatre has heard you and we are listening!

To respond to you, our loyal patrons, **Pentacle Theatre is keeping most seats at 2019 levels by introducing *flexible tiered seat prices*.**

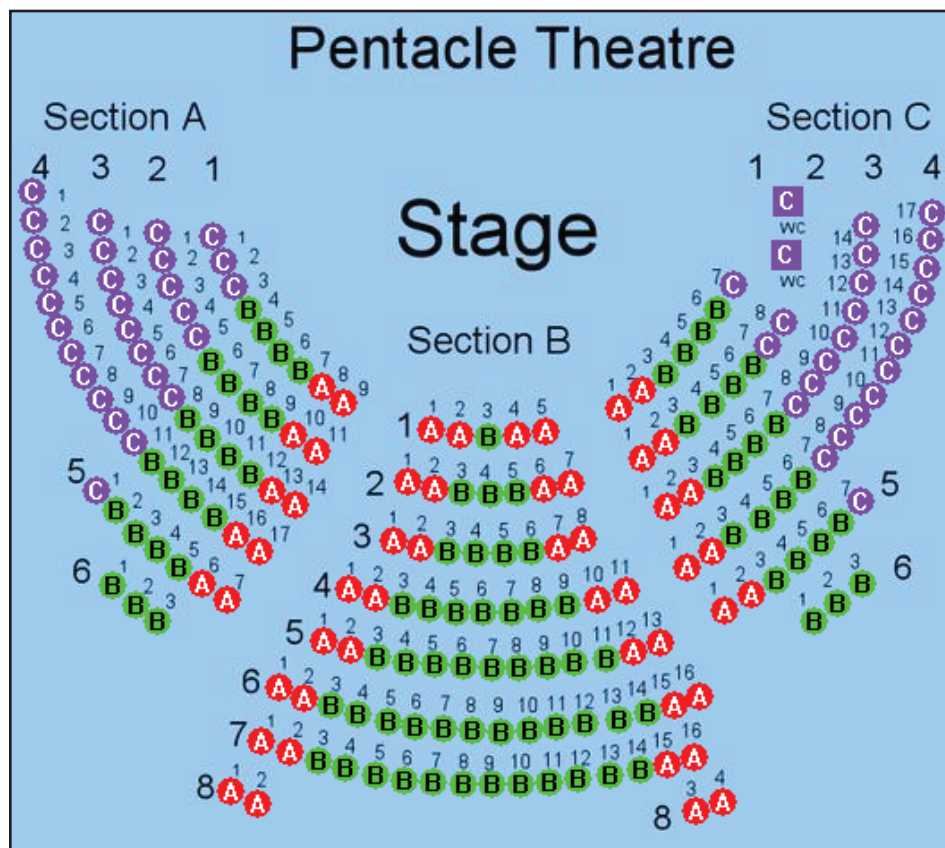

This is also a way that we can expand access to Pentacle’s performances to a wider audience.

You will see that we have adjusted ticket pricing to reflect seat demand. The price for the most asked-for seats has increased while the cost for other seats has decreased.

The base price seat for Friday and Saturday tickets (seats labeled B) are the same as our 2019 ticket prices: \$25 for a play and \$30 for a musical. Premium seats (labeled A) cost more and wing seats (labeled C) are discounted.

In addition, all tiers for Thursday performances are further reduced in price. As in the past, Sunday’s tickets for all tiers will be slightly higher because of higher demand. Please see the other side of this page for more detail about our 2023 ticket price structure.
