“And this is my prayer; that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless until the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ - to the glory and praise of God.” **Philippians 1:9-11**

Kirk & Laura Slater- 1. Thank God for his leading in a possible pastor to lead Kabale Baptist church through healing and onwards.
2. Laura continues working with teachers, students, and families and has opportunities in the works for further teacher training. There is a pending partnership with a local ministry where she can expand the grace curriculum, but this has stalled. Please pray the leader of that ministry can regain momentum. 3. Pray for Laura’s certificate of residence – pushing 1.5 years now. It has been all approved but for the last few months, it has sat on a desk with no explanation for why it isn’t printed and signed. 4. Their ongoing support needs.

F. Gibraltar

Gibraltar (34,000) is a British overseas territory since its capture in 1704, but self-governing since 2007. Most of the population are Catholic, but other denominations have churches. Evangelicals/charismatics have small numbers, but grow. Significant numbers of Moroccans work here, as well as Jewish and Hindu communities. Gibraltar has a good position for outreach to the region (southern Spain and North Africa), as well as to locals, immigrants, and foreign tourists. Pray that local congregations will gain vision for outreach!
