

## **TE/VF Middle School Squash**

The TE/VF Middle School Squash Team continues to grow. Squash is a winter season sport and last year the Coed team competed at **Yale University** in the **National Middle School Championships**, we are very proud of the 5th place finish in Division Two.

As the Middle School Program continues to grow and improve, it is our intent to **introduce a Girls Team this coming winter**. This will help promote more girls in squash and help feed the Conestoga Varsity Girls Squash Team in the future. Tryouts for the Winter season and both boys and girls teams will start in November.

### **Start preparing now!**

With this in mind we are offering the following programs:

#### **Berwyn's Summer Squash Camps**

<http://www.berwynsquash.com/docs/BerwynsSummerSquashCamps2017.pdf>

#### **Summer Squads**

<http://www.berwynsquash.com/docs/SummerSquads2017.pdf>

#### **TE/VF Fall 2017 Middle After School Squash Program**
