

Monitoring student progress in T/ESD

What does all this data
mean?

Date: Monday, April 9th

Time: 7:00-8:30 p.m.

T/E Administrative Offices

940 West Valley Road, Ste. 1700,
Wayne, PA 19087

Chris Groppe, Director of Individualized Student Services for TESD

Students may participate in several forms of assessment that seek to identify growth in multiple areas of identified need, including academic, behavioral, social, and functional needs. This presentation will describe the current processes and tools used in T/ESD to gauge student progress. The main focus will be on tools used for K-12 students receiving special education services or pre-referral interventions. This meeting is open to everyone in TESD.
