

Phire Robotics

Building and programming robots using Vex Robotics

Meeting Times: Wednesdays and Thursdays, 6:30 pm to 8:30 pm, at the Valley Forge Middle School cafeteria
starting October 4, 2017

Orientation Session: October 4 & 5, 6:30 pm to 8:30 pm, at the Valley Forge Middle School cafeteria

Phire Robotics is a non-profit organization not affiliated with the Tredyffrin/Easttown School District. Our focus is on teaching middle school children to build and program robots. Students will work in teams of 4 to design and build their own robot using the VEX robotics platform. Teams will also compete in regional and state robotics competitions to qualify for national and world robotics competitions.
