

2018 - 2019 Student Directory

The TEMS Student Directory is a booklet the PTO publishes that contains almost all of our students' contact information. It also has useful information about TEMS such as schedules, staff, and much more!

If you would like your information published in the student directory, please e-mail any/all of the following to TEMSstudentdirectory@gmail.com: student name, grade, address, home phone number, parents' names, e-mail addresses and cell phone numbers. **Returning students** - we will publish last year's information UNLESS you notify us of any changes via the e-mail above.

Please note - the District Contact Information form will not be used for directory purposes. Contacting the e-mail address above is the only method to submit your information.
