

Who Are We? We Are Here to Help

We are a group of parents and caregivers who have students with all types of learning differences, in the Tredyffrin-Easttown School District.

Whether you are just starting to have concerns about your child or your child is in the process of getting evaluated or your child already has a 504 Plan, an Individualized Education Plan (IEP) or a Gifted IEP – we are here for you. We are here to support one another, share our experiences and be a resource to each other.

Monthly Meetings

We host monthly meetings, often with expert speakers on various topics. The meetings are held on a weeknight, from 7:00 - 8:30 pm. Some of our meetings are only for parents and caregivers. Other meetings are free and open to all. We often welcome school district representatives to join us.

September Meeting: Parents-Only

Wednesday, 10/25, 6:30 to 8:30 p.m., Valley Forge Middle School.
