Step 5: Menu

By tapping on the MENU button on the top left of the screen, you will view different filters and categories. You can view different filters including your winning items or losing items. You can also view different categories that you can search by.

Step 6: Item Bid/Info

When you click on Bid/Info for an item, you can look at the item details, view the bidding history, view the starting or current bid, and place a bid. To place a bid, you can select Fast Bid where the next available bid is placed for you. You can also select Bid/Set Max and choose the amount you would like to bid or set a max bid for.

Step 7: Confirm Bid

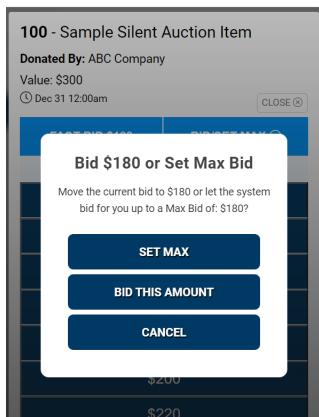

Once you have selected Fast Bid, you will have a confirmation message popup to confirm your bid.

If you are submitting a higher bid than the current price, or setting a max bid, you will be given a list of the increments to choose from. Simply choose the amount you would like to bid.

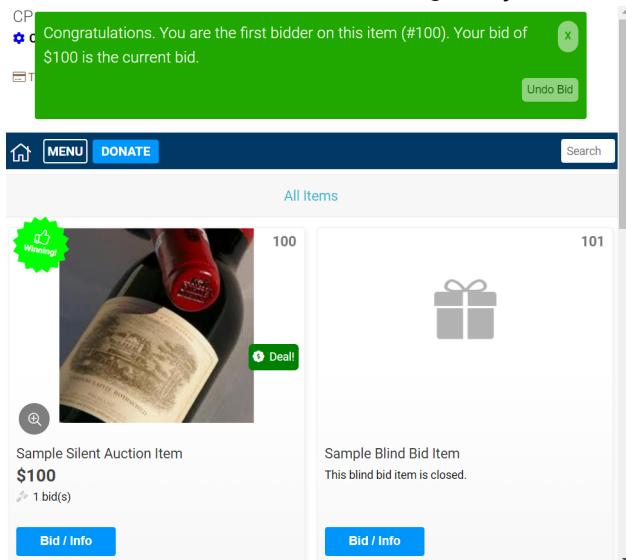

Once selecting an amount, you will be presented with the option to set a max amount, or bid this amount.

Step 8: Bid Complete

After a bid has been submitted, a confirmation banner appears at the top of your screen. A successful bid shows green and gives you information on the status of your bid. An unsuccessful bid shows red and gives you information on the details of the unsuccessful bid.

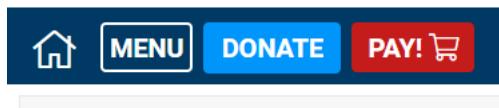

The screenshot shows a bidding interface. At the top, a green banner displays a success message: "CP: Congratulations. You are the first bidder on this item (#100). Your bid of \$100 is the current bid." Below the banner is a "Undo Bid" button. The main area shows a list of items under "All Items". Item 100 is a "Sample Silent Auction Item" featuring a bottle of wine, with a green "Winning!" badge and a "Deal!" button. Item 101 is a "Sample Blind Bid Item" with a gift box icon, showing the message "This blind bid item is closed." Both items have a "Bid / Info" button at the bottom.

That's all there is to it.

You can continue to browse items, check your bids and even make payment once the auction is complete. Below we have listed additional pages you can visit while using the bidding site.

Pay! Button

Once the auction is over, winning bidders will see a red PAY! Button. Pressing the button will allow you to complete the information and make a secure payment for their winning items or donations.

Secure Checkout

After clicking the Pay! Button, you can complete your payment information and make a one-time secure payment for your checkout total. This information is sent to the organization and if applicable, you are ready to pickup your items!
