1. **Via Mail:**

NCDA&CS- Plant Industry Division
Attn: Joy Goforth
 1060 Mail Service Center
 Raleigh, NC 27699-1060

2. **Via Drop off with your local N.C. Cooperative Extension county center:** Office locations can be found here: <https://go.ncsu.edu/Extension-County-Centers>. Each N.C. Cooperative Extension office will have a collection box for these seeds. Please note that hours of operation for each office may vary due to COVID-19 restrictions. We recommend calling ahead as we understand your time is important. The following N.C. Cooperative Extension offices are closed at this time: Chatham, Currituck, Gates, Hertford, and Mecklenburg so again calling ahead is encouraged in these areas. If you are unable to print the submission form, each N.C. Cooperative Extension office will have blank submission forms available.
