

Keeping Track! How Does it Work?

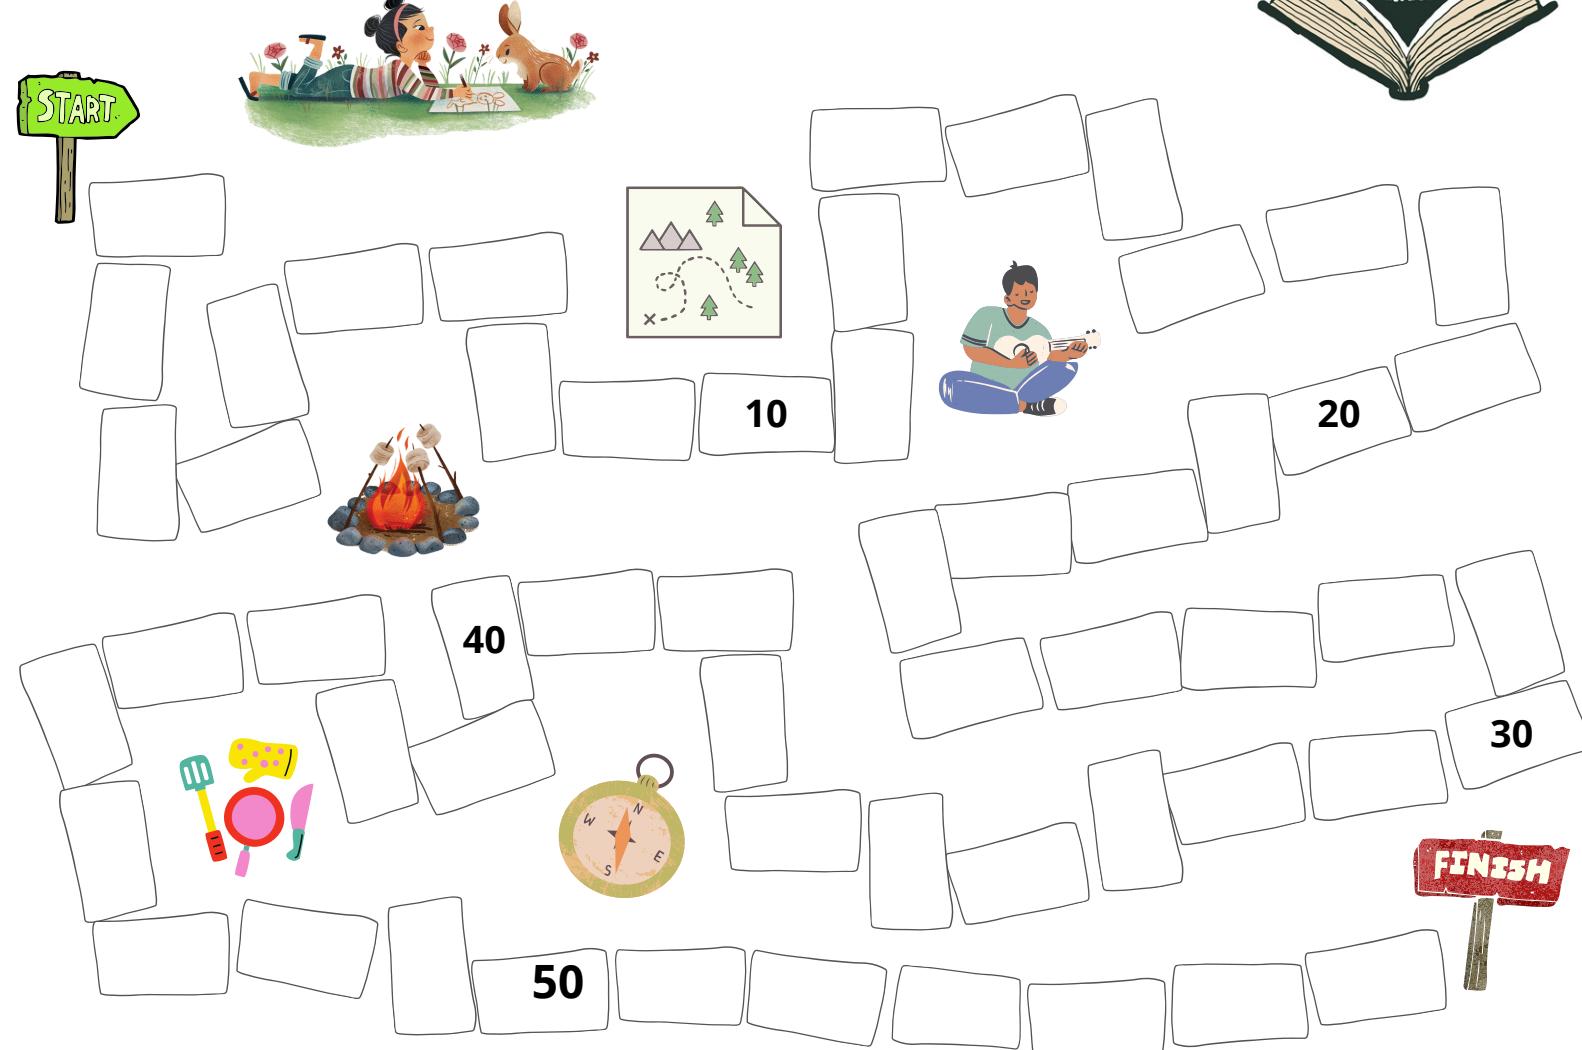

There are 56 spaces on this tracker for 8 weeks of Summer Reading! Track your reading minutes on this sheet. For every 20 minutes of reading, color in a stepping stone. When you reach a "milestone" mark, visit us at the library for a prize!

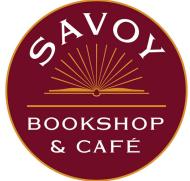

- 10: Prize bin choice
- 20: Vinyl Stickers
- 30: Personalized Book Plate
- 40: Ice Cream Coupon to Mel's Downtown Creamery
- 50: Book Voucher to the Wise Lion Bookshop
- FINISH: 10 raffle tickets!**

Wheeler Library Summer 2022 "Beyond the Beaten Path"

Denison Pequotsepos Nature Center

What is an "Exploration" ?

An exploration is any way that you experience your world "Beyond the Beaten Path"! If you **explore** it, **create** or **make** it, **experience** something, **learn** about something or even just **observe** or **participate**, it counts as an "**Exploration**".

Here are just a few examples:

- start a rock collection - play an instrument - work in the garden
- learn about a new place - look for shells at the beach
- take a hike - make up a game - play outside
- take a boat ride - go for a swim - follow a recipe
- photograph nature - explore a new trail - go for a walk
- go fishing

EXPLORE Beyond the Beaten Path

In addition to tracking **reading** minutes, also keep track of your summer "**Explorations**".

For each exploration, visit to the library, or attendance at one of our programs, you will receive a raffle ticket to be entered for one of our **raffle** prizes.
