

# WTMC Volunteering Event!

Do you like helping other people and improving your community? Do you want to prepare for college applications? Are you looking for a place to socialize while doing an activity? Do you want to learn how to knit?

## Come to Knitwits!

**What:** Knitwits is a volunteer opportunity that will start meeting two times per month to make squares that we will turn into scarves and blankets that will be donated to the local shelter!

**Why:** Many folks that are homeless will not have money or materials to purchase things that keep them warm. People that do not have consistent housing need items that can help them survive the cold winters of Michigan!

**How:** WTMC has bought the materials for doing this volunteer project, so you just have to show up!

**Who:** Anyone who is interested in coming to this event is welcome if they are willing to learn how to knit and participate in volunteering. The staff member who will be overseeing the event is **Mr. Gilpin**.

**When:** This event will occur after school on **Thursday** from **3:15pm to 4:45pm** starting on **Thursday, March 28, 2024**. This will occur **every other week**.
