

## Professional Learning Opportunities by CALPRO

CALPRO is offering a number of [PROFESSIONAL LEARNING OPPORTUNITIES](#) for April and May 2018.

In April and May CALPRO will offer the following regional Communities of Practice (CoP): ***Effective Teaching for Adult Educators*** ([Los Angeles](#) and [San Juan Capistrano](#)), ***Accelerated Learning to Facilitate Career Pathways*** ([Auburn](#)), and ***CCRS 2: ELA Implementation and Application*** ([Berkeley](#)). Additionally, in April CALPRO will offer the ***Learner Goal Setting*** regional training in [San Pedro](#).

Additionally, in April and May, CALPRO will offer the following facilitated online courses: [Evidence-Based Writing Instruction for the ESL Classroom](#), [Optimizing ESL Instructional Planning: Management, Monitoring, and Reflection](#) and two cohorts of [Integrated Education and Training](#) in [April](#) and [May](#).

The [Evidence-Based Reading Instruction Institute](#) continues throughout the months of April and May; this learning opportunity is in the same blended learning format CALPRO CoPs are known for. The goal of this Institute is to provide teachers with the tools to deliver effective reading instruction. EBRI is not a curriculum or a set of materials. It's an approach to teaching reading using evidence-based practices.

Also beginning in April and continuing into May, CALPRO will offer the following series of Online Workshops in real time: [Integrated and Contextualized Workforce Skills](#). Find out what contextualized instruction is and how it benefits your learners to succeed in the workforce. This training emphasizes the need to teach transferable skills directly and the connection between using these skills in the classroom and in the workplace. The training also offers examples of contextualizing ABE/ASE and ESL instruction easily by using workplace activities and forms.

CALPRO will also host the following webinar in April: [What Adult Educators Need to Know About Equity](#)

Check out CALPRO's [online video library](#) including the two most recent additions [Mentoring for Adult Education Instruction](#) and [Increasing Rigor in English Language Instruction](#).
