

## News from Funky Town

Welcome Holy Heroes families to our first monthly newsletter. It will review some things we have done throughout the month as well as some upcoming events. This, along with email blasts will be the form of communication for classroom requests.

We have been busy, busy, busy since day #1!

\*learning to pray with rosaries.

The Hail Mary & The Glory Be

\*Everyone has learned the classroom routine and the use of “the plan”

\*Ask your child about all the learning that has filled our days:

Number book, ABC book (letters Ll, Ff and Ee with Hh, Tt, li, Uu and Cc to follow), Clipboard Cruisers, Journal writing about favorite color, favorite toy, Church and family, lots of artwork, sensory activities and free choice time.

\*Enjoyed library with Miss Hillary, music with Mr. Graham and Gym.

\*Outside has been hot but nice to ride bikes, run on the playground, visit church and have class outside.

\*Cooking: yummy applesauce

\*classroom jobs change each week

\*We are talking about all the beautiful things God created and are illustrating a book which will come home when we are finished with Dav 7.

### PLEASE NOTE:

\*Water bottles are great. Please have your child CARRY them instead of putting them in their school bag. Some leak!

\*Please save small plastic cups from applesauce, fruit, yogurt...we love them for paint and glue.

\*\*I have started to implement a reward system. I hope this will help the children follow the classroom rules. It has been tricky for many to not talk while the teacher is talking, wait their turn, use inside voice, no “potty talk”, use walking feet...Please talk with your child about having fun at school but following rules at the same time. Thank you for your support.

**Seek God’s will in all that you do  
and He will direct your path.**

**Proverbs 3:16**
