

INSTRUCTIONS

For our returning families, we are doing the exact same traffic plan (pattern) as we finished the school year 2021-2022, without utilizing the "S" pattern in the Enke/ Recess Lot.

- (1) Main School Drop-Off. Doors Open at **7:47 AM** to admit students
- (2) Please be patient, courteous, and follow staff instructions. Especially the first few weeks until all feel comfortable with the routine.
- (3) Drop-Off Zone is the RED ARROWS on the map. **Please Pull as far forward as possible to the front of the building where the Drop-Off Starts** (second crosswalk, past the flagpole near the preschool doors labeled on map above as "Drop-Off Zone 1st Car) before dropping off your student(s).
- (4) Students are to exit **PASSENGER SIDE ONLY** of the vehicle onto the sidewalk
- (5) Students can enter the building only at two locations: GYM ENTRANCE or MAIN ENTRANCE. Remember, please pull as far forward to the front of the building (MAIN ENTRANCE) as possible before students exit your vehicle.

- (6) School Busses are utilizing the loop in front of the church for lane of travel and will be parking (3 at a time) in front of the preschool (just past the crosswalk). Cars will pass the busses on the left slowly to exit the campus.
- (7) If your student needs extra time (large school project, crutches etc.) please park in the front lot and walk them up to the sidewalk in front of the school.

Thank you for your understanding and cooperation. We expect this plan to run as smoothly as it did last year, due to all your help.

Feel free to reach out to me for anything, and welcome back!
