

St. Brigid of Kildare MyScrip Program

Updates make it easier to trim your tuition bill

Simply order gift cards from more than 300 retailers and receive a portion of the purchase price as a tuition credit for the next school year. Participating families order gift cards at face value through Saint Brigid's Shop with Scrip account. Saint Brigid receives these gift cards at a discount ranging from 1-to-20%, based on the retailer. One hundred percent (100%) of this discount is returned back to each family's Saint Brigid account. St. Brigid does not receive any percentage of the discounts given through the MySCRIP program.

RaiseRight, a new mobile app, launched this summer makes it even easier for families to use the program. The app is available via the App Store or Google Play. You'll first need to create an account via the ShopWithScrip website before using the RaiseRight app.

How do I receive my cards?

Families will be notified of their pick up options once the coordinators receive the gift cards. Pick up dates are typically within one week of the order deadline. What happens if I order the wrong cards?

A 25% restocking fee will be charged on returned items. Please contact the MySCRIP coordinators.

What happens if the wrong cards are in my envelope?

If you did not order the cards you received, immediately contact the MySCRIP coordinators and we will replace them with the correct cards.

How do I get my tuition credits?

100% of the credits you earn will be applied towards your 2020-2021 tuition. Tuition credit will be applied once a year. The order period is from April 1, 2019, to March 31, 2020. Your MySCRIP credit will appear on your 2021-22 tuition statement.
