Help Provide a THANKSGIVING Family Dinner

The Dublin Food Pantry is preparing for its annual Thanksgiving food collection drive and needs your help to provide about 800 meals for families in need this year. Many of you have contributed full meals since we began 13 years ago. We hope you will continue to participate and we hope more parishioners will join in the effort this year. Please be generous. The need is great! Thank you!

Option 1 — provide an entire Thanksgiving dinner

Sign up at this link:
https://www.signupgenius.com/go/20F0E4DACAE2AA57-65883776-2026

If you are able to provide one or more meals for a Dublin family in need, please purchase everything from the list in the Sign Up Genius (link above). This year, after all Masses on the weekend of October 17-18, we will be distributing boxes in the gathering area that can be used to pack these items. Please bring these boxes or reusable cloth bags, to the Dublin Food Pantry (6608 Dublin Center Dr) from 7-8:30pm Tuesday October 27 or from 10-11:30am Saturday October 31. The Knights of Columbus will help unload your car! If you are not available to drop off those days, we are also receiving collections before and after all Masses on October 31-November 1 in Hendricks Hall.

Option 2 — Provide boxed mashed potatoes, stuffing or gravy

Parishioners who prefer to donate on a smaller scale can provide boxed mashed potatoes, stuffing or gravy (no glass please) for inclusion in the remainder of the Thanksgiving meals. Collection of the donations will be held on the weekend of October 31-November 1 in Hendricks Hall before and after all Masses. They can also be left in the Collection closet in the Immke room throughout the week.

If you have any questions, would like to make a monetary donation to the pantry, or need to make alternative drop off arrangements, please contact Karen at kaernes@icloud.com or text/call at 614-271-4086.
