

## ST. BRIGID LUNCH PROGRAM

Dear Parent(s),

St. Brigid school offers a complete hot lunch program as well as a milk program. Student lunch price is \$2.75(includes milk) and milk is .50. Seconds on the menu items will be offered when available and these items will be priced between \$1.00 and .50 per item. The student lunch account system is computerized and payment for lunches and milk is automatically deducted from the student's account as they purchase any given day by way of their fingerprint reading. Each student has their own account. Payment can be made by cash or check, checks should be made payable to St. Brigid cafeteria and sent in an envelope marked for the cafeteria. Payments can also be made on-line by going to [www.myschoolaccount.com](http://www.myschoolaccount.com). Parents may send one check for multiple students. Please mark the envelope with the name and amount to be credited to each child's account. When a student's account reaches a negative balance, a letter will be sent home in your child's Friday folder.

NOTE- Students do have the option to buy cash for their purchases.

NOTE- If parents have special requests concerning their child not buying seconds, food allergies, etc please notify the cafeteria and we can note these requests on their account.

NOTE- We are a nut free environment.

NOTE- Al-a-carte items are available, prices range from .25 to .75

NOTE- Salad bar is available for student in 4 – 8 grade.

We look forward to another fun year of serving quality and nutritious meals to the students in a warm and caring atmosphere. Any questions or suggestions, please contact us anytime.

THANK YOU

Joyce Brown & Staff

Dear St. Brigid Parents,

Our school district has partnered with MySchoolAccount.com to bring you an online service to prepay your student's meal account. This service offers you the ability to monitor your children's meal purchases, track what your children have been eating for the past 30 days, make deposits directly into their meal accounts, transfer funds between students and have an email reminder sent to you when an account balance gets low. Student debit account deposits can be made through ACH payments. Each child's account will be updated nightly so that account balance information and payments will be current the following day.

In order to take advantage of this service, you will need to create a parent account. This requires you to:

1. Go to [www.myschoolaccount.com](http://www.myschoolaccount.com)
2. Click "Create Account" on the top menu bar.
3. Fill in the required information on the "Parent Account Sign-Up page."
4. Choose **St. Brigid** from the "School District" drop down menu.
5. Create a User ID and Password.
6. Click the "Accept" box, and then click "Signup." An email will be sent to your email address that will contain a "verification code."

After you receive the "verification code" you may begin to add your children's information. To do this, you will need to:

1. Go to [www.myschoolaccount.com](http://www.myschoolaccount.com) and login using your previously created user ID and password.
2. Enter the "verification code" to verify your account and email address.
3. Begin adding your children's information according to the guidelines provided. You will need each of your children's student ID numbers as well as (some school districts require date of birth) to add each student.
4. After the students are added you will be able to view the lunch account activity and make payments to the student lunch account.

**Note: A parent account can be linked to many children, but a child can only be linked to one parent.**

We urge you to take full advantage of this system by making deposits into your children's accounts on a weekly, monthly, or annual basis. You are free to choose the amount of each deposit.

**Note: There will be a per transaction convenience fee of \$2.00 associated with each deposit.**

Any money that is not spent by the end of the school year will be available the following school year. If you have any questions about this or any other food service program, please contact Joyce Brown at (614) 718-5825.
