Damascus Summer Camp

- Production staff at Great Lakes Campus

Reflection

This summer, I had the incredible opportunity to give my summer to Jesus through mission at Damascus Summer Camp. I was so blessed to see so many young middle and high schoolers encounter Jesus, often for the first time, and be a part of their "yes." Serving all summer was a lot of sacrifice, but God worked through me in so many amazing ways and brought so much joy and peace through the difficulty. It was such a fulfilling summer, and I can't wait to bring the love of Christ back to my everyday life.

Camino De Santiago

- Walking 500 miles over 6 weeks as a pilgrimage!

Reflection

I had the opportunity to walk the Camino. Going in, I had a lot of expectations of what it would be, and although different, God did so much more. I had opportunities to witness to my faith (especially to those who are lukewarm Catholics or hurt by the Church), to learn about life experiences from others, saw how God provides in abundance, had many moments of surrender and trust, and had a great time of retreat before I enter seminary this fall!

Damascus Summer Camp

- Medical Staff at Main Campus (Ohio)

Reflection

This summer, the Lord has been revealing His heart for me and His people! By being on medical staff, I have been able to witness Christ's healing power and learn how to love his people well. I have learned so so much, have been living the adventure, and am falling so deeply in love with Jesus Christ.

“A sacrifice to be real must hurt, and must empty ourselves. Give yourself fully to God. He will use you to accomplish great things on the conidtion that you believe much more in His love than in your weakness.”
-St. Mother Teresa of Calcutta

“yes” and sacrifice
