## **Manitoba Harm Reduction Network: Overdose & Substance Literacy Workshop**

**April 22, 2026**

1:00 PM – 3:00 PM

MHRN Main Office: #206 – 83 Sherbrook St, Winnipeg

\$50 + taxes

This workshop builds practical, real-world knowledge around substance use, overdose, and harm reduction, grounded in dignity, care, and community. Whether you work in health, social services, education, or simply want to better support those around you, this space is for you.

What you'll gain:

- Substance & overdose training
- Understanding how stigma impacts safety
- Harm reduction in practice
- Tools to build safer responses

## **Community Health Nurses of Canada**

### **CHNC2026: Strengthening the Roots of Community Health Nursing**

**May 20-22, 2026, at the University of British Columbia**

Join CHNC for the 2026 community health nursing conference, where we focus on strengthening the roots of community health nursing.

**Address:** The Nest; University of British Columbia, 6133 University Blvd, **Vancouver, BC** V6T 1Z1

**Review the full program here:** <https://virtual.oxfordabstracts.com/event/75898/program?date=%222026-5-20%22>

**Registration Info here:** <https://chnc2026.ca/registration>

**Registration Fees:** Range from \$50 – \$709

\*Sharing this info now so you can sign up and apply for education leave :)

## **Manitoba Harm Reduction Network: Harm Reduction Saves Lives Conference**

**Sept 15 – 17, 2026**

9:00 AM – 4:00 PM

Victoria Inn Winnipeg, located at 1808 Wellington Ave

Price Range: \$250 to \$650 per participant

The conference is a three-day event that will feature speakers from throughout Manitoba and Canada as they share on a variety of topics related to harm reduction and sexual health, including Indigenous harm reduction, substance use and harm reduction, youth and harm reduction, housing, STBB's and rural and remote dynamics.

The conference aims to inspire community to enhance access to harm reduction services across Manitoba, particularly in rural, remote, northern, and indigenous communities. This goal is pursued through a strong focus on indigenous knowledge, anti-oppression, and addressing the root causes of harms linked to substance use.
