CHAMBER CONNECTION

FEBRUARY 2026

WHERE BUSINESS AND COMMUNITY MEET

Congratulations to our Q4 2025 Ambassador of the Quarter—*Reuben Cooper*

Second Step for Warriors

Thank you, Reuben, for showing up, staying engaged, and being an incredible ambassador. We're grateful for all you do and are proud to recognize you. ***Congratulations!***

Celebrating 75 Years—

Honoring Our Past by Investing in Our Future

I am **Andrea Bowles** and am thrilled to serve as your **North Augusta Chamber Chair for 2026**!

North Augusta is a special place—not only because of the businesses we support, but because of the people behind them. As I begin my year as Chair of the North Augusta Chamber of Commerce, I'm grateful for the opportunity to serve a community that values relationships, collaboration, and momentum.

This year is especially meaningful as we celebrate the Chamber's 75th anniversary—a moment to honor the leaders who came before us while focusing on what our community needs for the next 75 years.

Late last year, Cynthia Rhodes guided our board through a comprehensive review of the Chamber's strategic plan to ensure we are serving members with purpose and clarity. While our four pillars—advocacy, education and work force development, engagement, and leadership—were reflected in our 2025 programming, the process revealed opportunities to be even more intentional in shaping our direction for 2026.

Three priorities for 2026:

1. Increasing the visibility of the Chamber and its members
2. Strengthening member engagement through meaningful programs
3. Expanding our focus on education

My vision this year centers on three priorities:

1. Increasing the visibility of the Chamber and its members
2. Strengthening member engagement through meaningful programs
3. Expanding our focus on education

We will examine our social media presence, identify what drives engagement, and refine our approach to increase visibility. We'll evaluate participation in programs—such as Connect for Coffee, Good Morning North Augusta, Small Business Roundtables, Power Lunches, and ribbon cuttings—to better understand how members want to connect. And we will expand educational opportunities, including new workshops designed to help our members build valuable skills.

As we enter this milestone year, we have an extraordinary opportunity to honor our past by investing in our future. By elevating visibility, deepening engagement, and expanding education, we will strengthen North Augusta's business community for decades to come. I look forward to working alongside each of you as we build a Chamber—and a community—ready for the next 75 years.
