NANTUCKET KITCHEN ISLAND

We are changing the way outdoor kitchens are built. Engineered stone panels make it possible to have the outdoor kitchen of your dreams in one day. This system gives you the flexibility of using our grill and door combinations or you can customize with other accessories. You can choose the design, colors and stone profile of your outdoor kitchen to perfectly fit the rest of your landscape and your home.

VERTICAL PANEL TECHNOLOGY

Vertical Panel Technology is the smart alternative to block and stone masonry. Reinforced concrete panels and easy installation process makes constructing outdoor living spaces quick and affordable. This technology enables you to choose the texture, profile and color palette to fit the natural landscape of any backyard or outdoor setting. Reduce material waste and environmental impact, while delivering the highest quality vertical masonry structures.
