

A message from our President & CEO, Robin Sharp

In 2025, we made meaningful progress together—supporting more than 3,500 people. We delivered essential care and connection in Day Support, strengthened life-saving suicide-prevention services for Veterans, ensured food security through Meals for Military, and expanded access to meaningful career pathways for Veterans and people with disabilities. This year showed that when we unite with purpose, we do more than provide services, we create hope, dignity, and lasting change.

438,484

pounds of paper shredded and recycled, protecting sensitive info while employing Veterans and people with disabilities.

225

individuals with disabilities received mentorship in career and education
