

## VESSEL SAFETY CHECKS AVAILABLE ON JUNE 1, 2024

Several Vessel Safety Check Examiners from America's Boating Club-Valley Forge will be at Haven Harbour on Saturday, June 1, beginning at 10:00 a.m. This is an opportunity for you to have your boat inspected to verify that you are in compliance with federal and local boating laws. If your boat qualifies, you will receive a 2024 decal that demonstrates that you have met the safety requirements. There is no fee for the inspection and only successful inspections will be reported to the Coast Guard.

If you would like to have an inspection done on your vessel, please call Maryanne Boettjer (610-608-1892) or email [mboettj@gmail.com](mailto:mboettj@gmail.com).
