

PARISH FINANCIAL UPDATES

The new Fiscal Year 2021-2022 Budget has been approved by the Parish Finance Council and will be reviewed by the Parish and Stewardship Councils in the near future. A report to the Parish should be available in early September. The new budget anticipates a 3% increase in Offertory Collections—returning the Parish to pre Covid-19 giving levels. Thus, our Weekly Offertory Budget—**our weekly goal** for collections—is now **\$13,855**.

The August **Monthly Bishops Annual Appeal Report** and August **Monthly Debt Reconciliation Report** are on Page 2. We are hopeful that we will not have to use operating funds to pay down the debt and that gifts to the Debt Reduction Collection will continue to cover our monthly mortgage. So far, this has been the case. **Thank you** for supporting the Debt Reduction collection!

Our Regular Weekly Collection Report for the New Fiscal Year is shown below. We are currently **BELOW** budget by -0.04%** for the year. As expected, on-line gifts at the First of the Month can took a few days to be received. On-line giving remains the most consistent means to support the parish.

While we are showing the **Special Collections for Christmas, Easter and Holy Days**, we recognize that these collections will occur later in the fiscal year. However, some of you are making regular gifts to these collections so we are showing the current totals. The budgeted amount and percentages for these collections will be shown after these Holy Days occur.

Please remember that every gift to the church helps--no matter the amount. We emphasize equal sacrifice--**not** equal giving! **THANK YOU** for your generosity and support!!
