MAPPING THE PARISHIONERS

We've mapped every Parish family into 49 neighborhoods. Most of these neighborhoods are in Chapin but there are also neighborhoods in Little Mountain, Prosperity, Irmo, Ballentine, Lexington, Newberry and farther distant.

Within each neighborhood, most parishioners live within 5 minutes drive time from each other. Neighborhoods range in size from 8 to 30 members.

We believe proximity often makes it easier to build stronger relationships and makes it easier to support each other when the need arises.

WHAT DO PARISH NEIGHBORS DO?

Each group decides what they will do and how and when they will gather. Here are some examples of what Parish Neighbors can do together.

- Share names and phone numbers with each other
- Share recommendations for contractors and suppliers (plumbers, roofers, electricians, etc.)
- Call and check on each other from time to time
- Get together for coffee and dessert
- Volunteer together for a project
- Prepare and deliver meals to a family with a new baby, someone who's sick, grieving or incapacitated
- Go to daily mass together
- Study the Sunday readings and pray together
- Invite Father or one of the deacons to lead a discussion on a Church teaching
- Attend a church gathering together - the Lenten meal, the Seder meal, the Prime Rib Dinner
