MOTION: **BAILEY** **February 17, 2026**
Regular Meeting

SECOND: **BODDYE** **Res. No. 26-094**

RE: **AUTHORIZE THE PRINCE WILLIAM COUNTY DEPARTMENT OF TRANSPORTATION TO INSTALL A SPEED HUMP ON WILCOXEN STATION WAY (SR 1612) BETWEEN 8150 AND 8160 WILCOXEN STATION WAY – COLES MAGISTERIAL DISTRICT**

ACTION: **APPROVED**

WHEREAS, the Prince William County Department of Transportation (PWC DOT) received a request from residents on Wilcoxen Station Way to conduct a speed study to determine if Wilcoxen Station Way qualified for traffic calming measures; and

WHEREAS, between May 1, 2024, and May 3, 2024, the PWC DOT conducted the requested speed study on Wilcoxen Station Way and documented a speeding problem that qualifies for residential traffic calming; and

WHEREAS, on July 23, 2025, the PWC DOT received a petition from residents on Wilcoxen Station Way requesting that the PWC DOT install a speed hump on Wilcoxen Station Way (SR 1612) between 8150 and 8160 Wilcoxen Station Way; and

WHEREAS, from October 6, 2025, through November 6, 2025, PWC DOT installed notice signs at the proposed speed hump locations to solicit public comments; and

WHEREAS, six (6) people called in to comment, all were in support of the traffic calming measure; and

WHEREAS, representatives of the community, the Virginia Department of Transportation (VDOT), Prince William County (PWC) Department of Fire and Rescue, PWC Department of Police, and PWC DOT staff make the final recommendation on the type and locations of physical traffic calming measures on residential streets in Prince William County; and

WHEREAS, a speed hump is a 4-inch-high raised hump across the roadway with a 6-foot-long incline ramp, a 10-foot-wide flat top table, and a 6-foot-long decline ramp, resulting in a 22-foot-wide hump that extends across the full width of the road at right angles to traffic; and

WHEREAS, Wilcoxen Station Way (SR 1612) is a secondary road; and

WHEREAS, based on the identified community support, PWC DOT recommends the installation of a speed hump on Wilcoxen Station Way (SR 1612) between 8150 and 8160 Wilcoxen Station Way in the Coles Magisterial District; and

WHEREAS, the cost of installing the speed hump is $17,000, and sufficient funds are available in the Coles District Transportation Roadway Improvement Program account; and

WHEREAS, under the County Traffic Management Guide / Traffic Calming Policy, public hearings should be held to solicit public input on traffic calming plans prior to applying to VDOT for a permit to install the suggested traffic calming measures; and

WHEREAS, the Prince William Board of County Supervisors (Board) voted on January 20, 2026, via Resolution Number (Res. No.) 26-029, to authorize a public hearing to solicit public input to install a speed hump on Wilcoxen Station Way (SR 1612) between 8150 and 8160 Wilcoxen Station Way in the Coles Magisterial District; and

WHEREAS, on February 17, 2026, the Board held a public hearing to consider the installation of a speed hump on Wilcoxen Station Way (SR 1612) between 8150 and 8160 Wilcoxen Station Way in the Coles Magisterial District; and

WHEREAS, after due consideration, the Board finds that the proposed speed hump is a desirable speed calming measure that will promote the health, safety, and general welfare of County residents; and

WHEREAS, holding a public hearing is not a legal requirement to authorize PWC DOT to implement a traffic calming plan; however, under the County Residential Traffic Management Guide / Traffic Calming Policy, public hearings are held to solicit public input on traffic calming plans prior to applying to VDOT for a permit to install the suggested traffic calming measures;

NOW, THEREFORE, BE IT RESOLVED that the Prince William Board of County Supervisors hereby authorizes the Prince William County Department of Transportation to install a speed hump on Wilcoxen Station Way (SR 1612) between 8150 and 8160 Wilcoxen Station Way in the Coles Magisterial District.
