Updates

Double Murder Investigation *ARREST | VICTIMS IDENTIFIED – On October 15, detectives charged a suspect in connection to the killings of a man and woman that was reported to have occurred at a residence located in the 8900 block of Hanson Grove Ct in Manassas (20109) on October 13. The investigation revealed Prince William County police received information from New Jersey authorities that a man, later identified as the accused, was detained in their jurisdiction following an incident at a family member's home in that area. During their investigation, information was obtained prompting possible concern for residents at the home on Hanson Grove Ct in Prince William County. Officers arrived at the residence and found a door to the home unsecured. During a safety check of the residence, the two victims were located deceased in the basement from gunshot wounds. The two deceased were reportedly married and renting the basement living area of the home. The additional family members known to reside with the accused at the home were located and found to be safe. While investigating the incident, detectives learned of a domestic altercation that occurred on October 12 between the accused and two of the family members, a 50-year-old woman and a 53-year-old woman. During that previous altercation, the accused was armed with a handgun, holding both women against their will inside a bedroom of the residence. At one point, the accused discharged the firearm near both family members. Neither family member was struck by the round. Additionally, the accused struck one of the family members while holding the firearm before placing his hands around the neck of the other family member. The parties eventually separated, and the other family members left the home. The initial domestic incident was not immediately reported to police. At some point following the domestic encounter, the accused shot and killed the two victims in the basement before leaving the home and driving to New Jersey in an attempt to locate his family. While in New Jersey, the accused encountered other uninvolved family members prompting police in that area to be notified, and the accused to be detained. Although, the two deceased victims were known to the other family residing on the upper level of the residence, including the accused, currently, there is no known connection or involvement of the two deceased in the incidents preceding the fatal shootings.

Fatal Crash Investigation *DRIVER CHARGED – On October 9, crash investigators obtained a court summons for a traffic violation citing the driver of the 2009 Mack roll-off truck in the fatal collision that occurred in the area of Old Bridge Rd near Occoquan Rd in Woodbridge (22192) on September 5. The investigation revealed the driver of the truck, identified as the accused, failed to maintain his lane which contributed to the collision that killed a 23-year-old Woodbridge woman who was operating a 2023 Kawasaki motorcycle. At the time of the collision, the deceased was traveling at a high rate of speed which was also a contributing factor in the crash. Following the investigation, investigators obtained a summons for the accused, identified as Kojo **ESSANDOH**, who was served on October 15.

Charged on October 15: [No photo available]
Kojo **ESSANDOH**, 56, of 3940 Towns Square Ct in Triangle
Charged with ***failure to maintain lane***
Court Date: **Pending** | Status: **Released on Court Summons**

Identified:
The deceased operator was identified as Melanie Ruby **MORALES,** 23, of Woodbridge

Fatal Crash Investigation [Previously Released] – On September 5 at 3:27PM, officers responded to the area of Old Bridge Rd. near Occoquan Rd. in Woodbridge (22192) to investigate a crash involving a motorcycle. The investigation revealed the operator of a 2023 Kawasaki motorcycle was traveling westbound on Old Bridge Rd. approaching Occoquan Rd. at a high rate of speed when the operator lost control and separated from the motorcycle before sliding under and being run over by a 2009 Roll-off Dumpster truck. The motorcycle operator was wearing a helmet at the time of the crash and was pronounced deceased at the scene. The driver of the Mack truck remained at the scene and was not injured. Investigators determined speed was a factor in the collision. **Crash investigators are asking anyone who may have witnessed this crash to contact police.** The investigation continues.
