

How to Download Zoom Meeting Software

You may wish to [sign up for a free account](#) and download the Zoom App in advance of the meeting so you can check your video and sound settings:

FROM YOUR COMPUTER

- Click on this link: <https://zoom.us/download>
- Click on “**Zoom Client for Meetings**” where you’ll be prompted to download the Zoom app
- Once you have downloaded the file to your computer, click “Join a Meeting”
- Enter the Meeting ID provided in the host’s email to you.

Alternatively, click on the link which may be posted near the top of the meeting agenda, or click the link in an email sent to you by the meeting host. This will automatically prompt the app to download and bring you into the meeting. (Click “Open Zoom” when prompted)

FROM YOUR IPHONE SMARTPHONE OR IPAD

- Click on this link to download the Zoom app to your phone:
<https://itunes.apple.com/us/app/id546505307>
