

## East Contra Costa County Habitat Conservancy Public Advisory Committee Members Needed Request for Applications

---

### Overview

The East Contra Costa County Habitat Conservancy is seeking four (4) individuals or organization representatives to serve on the Public Advisory Committee (PAC) to provide input on the implementation of the East Contra Costa County Habitat Conservation Plan / Natural Community Conservation Plan (HCP/NCCP or Plan) to the Conservancy's Governing Board. The PAC is composed of members representing a variety of interest groups, including three members from the development community, three representatives from the conservation community, three private landowners and/or agriculturalists, three representatives of suburban and/or rural residents within the Plan area, as well as staff members from interested public agencies. PAC members are appointed for a four-year term and are expected to attend all PAC meetings.

The current vacancies are for:

- 1 private permit seeker from the development community
- 1 representative from the conservation community
- 1 private landowner and/or agriculturalist (or their representatives)
- 1 suburban or rural resident from the Plan Area

The PAC meets quarterly and is responsible for reviewing and commenting on the general implementation processes of the HCP/NCCP including providing input on implementation policies, budgeting, workplan, restoration projects, a small research grant program, the operation of preserves, adaptive management, and the adherence to plan commitments. For more information on the HCP/NCCP and the role of the PAC visit [cocohcp.org](http://cocohcp.org). The PAC meets on the 2<sup>nd</sup> Thursdays at 1 pm of February, May, August, and November.

**Background information on the East Contra Costa County Habitat Conservancy:** The East Contra Costa County Habitat Conservancy is a joint exercise of powers authority formed by the Cities of Brentwood, Clayton, Oakley and Pittsburg and Contra Costa County to implement the East Contra Costa County Habitat Conservation Plan / Natural Community Conservation Plan (HCP/NCCP or Plan). The HCP/NCCP provides a framework to protect natural resources in eastern Contra Costa County, while improving and streamlining the environmental permitting process for impacts on endangered species. The Plan will allow Contra Costa County, the Contra Costa County Flood Control and Water Conservation District, the East Bay Regional Park District and the Cities of Brentwood, Clayton, Oakley, and Pittsburg (collectively, the Permittees) to control endangered species permitting for activities and projects in the region that they perform or approve. The Plan also provides for comprehensive species, wetlands, and ecosystem conservation and contributes to the recovery of endangered species in northern California. The Plan avoids project-by-project permitting that is generally costly and time consuming for applicants and often results in uncoordinated and biologically ineffective mitigation.

## **Additional Information Provided**

- Attachment A: Application Form
- Attachment B. Plan Inventory Area
- Attachment C: PAC Seat Assignments and Rotation Schedule

## **Submittal Instructions and Review Process**

### **Application Submittal Requirements**

Interested applicants should complete the attached application. The application needs to be received by no later than **February 13, 2023, at 5 p.m.** The application may be transmitted by mail or email to:

Maureen Parkes  
East Contra Costa County Habitat Conservancy  
30 Muir Road  
Martinez, CA 94553

OR

Email: [Maureen.Parkes@dcd.cccounty.us](mailto:Maureen.Parkes@dcd.cccounty.us)

### **Application Materials**

- Attachment A: Application Form (to be returned by February 13, 2023)
- Attachment B. Plan Inventory Area
- Attachment C: PAC Seat Assignments and Rotation Schedule

### **The Application Evaluation Process.**

Applications will be screened by the Conservancy and depending on the number of applications, candidates may also be invited to an interview. The final decisions will be made by the Conservancy Governing Board. Appointments will be made at the Board meeting on February 27 or April 24, 2023.

\* Term Expirations continue on 4-year cycle.

**Official 2017 (and forward) PAC attendance policy:**

All PAC members/member organizations are required (annually) to attend three of the four scheduled meetings. If a member/member organization misses two or more meetings, the Board will be notified, and at the next available Board meeting consider opening the position for applications. The Committee member/member organization will have the opportunity to reapply for the open position.
