CAREER ACCELERATION PROGRAM

BUILDING TRADES CAP

WITH OSHA 10 & FORKLIFT CERTIFICATIONS

100% Virtual Training

Are you a hands-on person interested in exploring different career possibilities within the broader field of building trades? This virtual, fast-track program provides an exciting introductory overview of the trades.

LEARN THEN EARN. This Building Trades Career Acceleration Program (CAP) offers a unique blend of soft and hard skills training that prepares you to succeed. This CAP includes a special opportunity to gain **OSHA 10 workplace safety certification** and **features industry guest speakers**. No prior experience is required. Upon completing the CAP, you will work with staff who have valuable industry knowledge to help you find opportunities to put your CAP training to work.

Enrollment is in Progress!

Dates: November 16, 2026, through December 18, 2026 (5-week program) **Daily Hours:** M-F*, 9 a.m. – 12 p.m., plus commitment to study or work independently on assignments outside of class

** M-F schedule may vary to accommodate holidays**

Eligibility: Basic computer skills recommended. WIOA registration strongly recommended.

Sign up for engaging learning sessions that will cover:

- Virtual class includes group and self-directed activities
- Specific building trades information on multiple industry entry points and skillsets
- A wide range of foundational employability aptitudes including measuring, problem-solving, mathematical calculations, safety, and much more.
- Interactive discussions with industry representatives or employers, presented by the Business Services Team
- Resume assistance
- Graduates receive ongoing support and career services
- Certificate awarded upon completion of CAP
- OSHA 10 safety training included
