About Apprenti & This Role

As part of our ongoing mission to expand pathways into life sciences careers, we're excited to continue our partnership with Merck, a leading biopharmaceutical company, offering talented individuals like you the chance to join their team. These roles provide a **paid, hands-on pathway into life sciences** with training beginning as apprentices in **January 2027**. Check out the details below to see how this could be the perfect next step in your tech career.

Role Requirements

To apply for this opportunity, candidates must be:

- 18 years or older
- Eligible to work in the United States
- High School diploma or GED
- Previous management experience
- Available to work 3rd shift

MERCK

Technical Training will prepare you for on-the-job work, is free of charge, and begins in January 2027.
