One Pallet, One Community

an initiative of **TRUE NORTH AID**

One Pallet, One Community is a new grassroots program initiated by True North Aid that encourages Canadians to meet the specific needs of a remote and northern Indigenous community.

This is accomplished by a group of volunteers (collectors) in a southern region hosting a short-term collection drive that fills a minimum of one pallet.

You will...

- ✓ Commit to a collection
- ✓ Establish a location and time frame
- ✓ Find volunteers
- ✓ Learn about the recipient community
- ✓ Help fundraise shipping costs

We will...

- ✓ Provide thorough instruction
- ✓ Provide relative marketing tools
- ✓ Organize shipping
