

## 1GPA Welcomes New Team Member, Susan MacDonald!

We are pleased to announce that Susan MacDonald joined 1GPA in April 2019 as the National Program Director. Susan will be working with Vendors and Members to promote 1GPA contracts on a national level. Susan brings to 1GPA 6 years of Cooperative Purchasing experience, over 30 years as a marketing professional, and 18 years of business ownership. Susan's passion is business; she truly enjoys helping public entities utilize the most up to date business practices to aid them in being the best they can be, which she believes is imperative when dealing with public funds. In her spare time, Susan enjoys being dragged to Whole Foods with her daughter, home improvement projects, and traveling around the country.
