

## DESIGNED TO DELIVER SUPPLY MANAGEMENT SOLUTIONS TO YOUR FACILITY

Network Distribution® (*Network*) is a national distribution organization supported by the power of local expertise. We offer customized programs that include a wide selection of industry leading name-brand paper products, cleaning supplies, chemicals, equipment, and breakroom supplies. We work with the public sector to create and manage supply programs that ensure you have the products you need to generate operational success.

Our aim is to make it easy to protect the wellness of your facility with solutions that are as cost-effective as they are comprehensive. We deliver real value at the critical point of product use in your facilities. Our teams know what's in the box and they know how to use it to help create meaningful outcomes.

1GPA is pleased to offer *Network's* solutions to its members on a competitively bid and awarded contract in compliance with state statutes, procurement laws and regulations. Learn more about the benefits available to your facility leveraging cooperative purchasing for your everyday cleaning and disinfecting supplies.

"The *Network*-1GPA contract has been beneficial to us as a company, allowing our customers to get what they need from us in a timely fashion, especially in this last year. The contract allows us to add items to meet the immediate needs of our customers. Plus, we always appreciate being able to pass on the cost savings to our 1GPA customers", says Dell'Aquila, VP of Sales for Maintex.

To help with the maintenance of your facilities, we have included our Janitorial Supplies checklist that will help you identify materials to use when cleaning and disinfecting various areas within your building.
