COMMITTED TO EXPANDING HEALTHCARE ACCESS

Launched in January 2023, DPMG Health (DPMG) is enhancing healthcare access for underserved Coachella Valley communities through a mobile clinic, funded by the Desert Healthcare District (DHCD) and Coachella Valley Resource Conservation District.

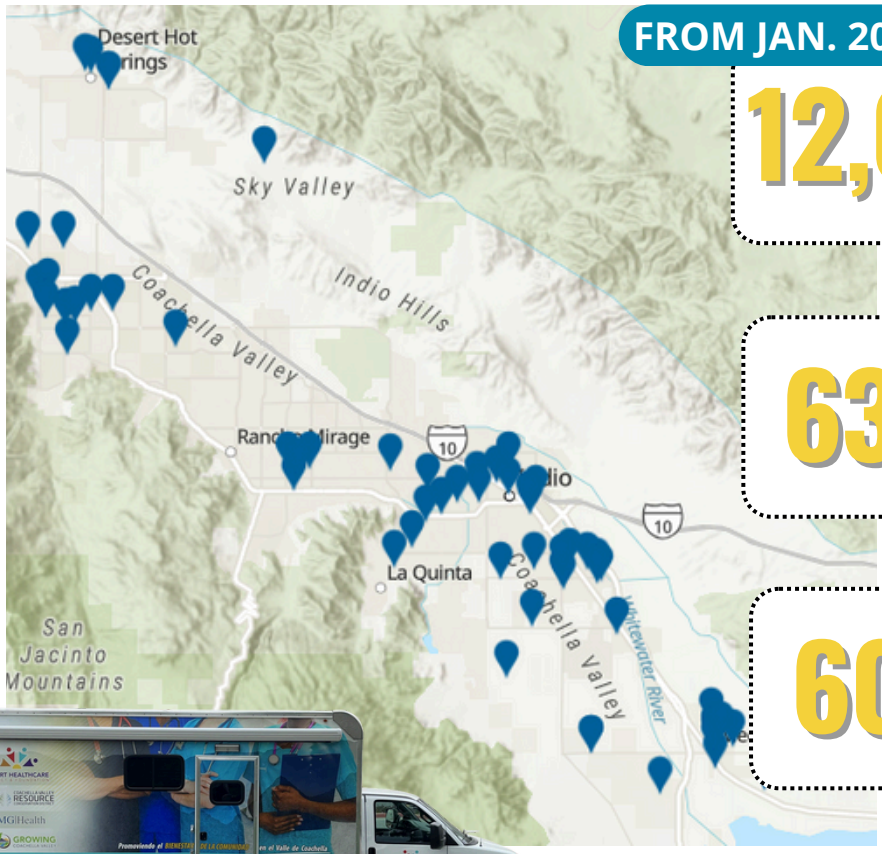

COLLABORATIVE PARTNERS

In partnership with ***18 organizations***, a sustainable healthcare delivery model was created, using mobile clinics to bridge the access gap and provide services in a supportive and coordinated way.

ACCESS POINT

The mobile clinic acts as a vital access point, ***referring*** individuals to care coordination, support services, medical homes, specialists, and brick-and-mortar healthcare facilities.

FROM JAN. 2023 - JAN. 2025:

12,040 patients provided medical services

ACCESS

635 times the mobile medical clinic was deployed

MOBILIZATION

60+ unique locations the mobile medical clinic was deployed
