

Public Interest Technology University Network Challenge – Year 2: Harvard LOI

Interested applicants are asked to submit (as a single document) the following to viceprovost_research@harvard.edu with copy to autumn_bennett@harvard.edu by **noon on Friday, May 29**. Please note character limits below.

- **Proposal Title**
- **Indication if the proposal is new or is a revision of a previously submitted proposal to the PIT-UN**
 - For revised proposals, please answer these additional questions:
 - What aspects of last year's application have you amended?
 - How have you incorporated any feedback provided by the Challenge Fund to improve your application?
- **Amount Requested & Documentation of Institutional Support** (additional information can be found in the RFP)
 - Tranch and total amount requested (direct and indirect costs)
 - Tranch 1: Up to \$45,000
 - Tranch 2: Up to \$90,000
 - Tranch 3: Up to \$180,000
 - Provide information about the nature/level of school-based support
 - Append supporting documentation (e.g., email confirmation) for this support – please note that proposals missing this information will not be selected
- **Names/affiliations of Collaborators**, if any
- **Elevator Pitch** (300 character limit with spaces): Describe your project in a sentence.
- **Project Description** (3,000 character limit with spaces): Describe your proposed project, including:
 1. Objectives
 2. Method and process to meet those objectives
 3. Timeline
 4. Brief budget narrative
 5. Deliverables produced during the project, or other measurable outcomes
