

Coding Club!

Fall 2026

St Joseph School

Grades 2-8

Digital Design – Your child will have a blast designing video games and animations in this exciting STEM program. Our innovative approach to coding is sure to spark your child's interest in computer science, using a kid-friendly, intuitive, block-based programming system called Scratch, developed by the MIT Media Lab. The fun filled curriculum hones important skills related to problem solving, attention to detail, creativity, storytelling and critical thinking. Class topics include conditional statements, cloning, variables, loops, control structure, object-oriented design concepts and data structures.

Schedule: 9 Tuesdays, October 13th - December 15th, 3:15 PM - 4:15 PM

No class: 11/24

To sign up, please visit <https://programs.afterschoolenrichmentsolutions.com/>

Use this course code **STJ10.13.26** to register. Please register by 10pm PST on 10/5 for the early bird price of \$151.00.

Chess Scholars/AES is a third-party program provider not associated with the school, please direct all inquiries and communication regarding our programs directly. Contact us with inquiries or if you'd like assistance registering at 847-482-9999

All participants must conduct themselves in a manner that allows all students to fully participate during the class without impeding their experience. We have a no refund policy, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. Please be aware of this as there will be no refunds. It's the parents' responsibility to remind the children about the classes.
