St. Joseph Catholic School Strategic Planning

What?

We are creating a 3-5 year strategic plan for the future of our school.

When?

This will take place during the 2026-2027 school year.

Who?

We partnered with Marquette University to bring on a facilitator of the process, as well as a Steering Committee of nine school and parish stakeholders chosen by Father Justin and Bree Van Vreede.

Why?

Focus on a vision and future for the school to increase enrollment.

Your Involvement?

We will be surveying parishoners, parents, staff, and students. We will be holding focus groups for various stakeholders to gain insight on perceptions of the school.
