

**St. Joe's Parish
St. Ben's Community Meal**

Tuesday October 12th

Love cannot remain by itself, it has no meaning.
Love to put into action
And that action is service.
Mother Teresa

St. Joe's Parish is responsible for meals desserts on the second Tuesdays of the month at St. Ben's Community Meal. Historically, in non-pandemic years, the St. Joe's Service Club had prepared and served meals at St. Ben's. During this pandemic time, we will only prepare the meals to be served. We are encouraging school families to continue the tradition of meal preparation and bring contributed meals to school on October 12th before 3:00. The school office staff will accept meals and refrigerate them if you need to bring them early.

Please consider preparing a casserole or dessert to serve 20 people. Casserole suggestions: tuna and noodles, spaghetti and meat sauce, macaroni with meat or any favorite recipe. Dessert suggestions: brownies, cupcakes, cookies. Disposable baking pans will be provided for casseroles if needed. Call Margaret or Bill Solberg if you have questions 262-352-1708.
