

# Drive-Up and Drop-Off Day

## K3 – 8<sup>th</sup> Grade

**Date: Friday, May 29th**

**Times: 10:00 a.m. – 12:00 p.m.**

We will be honoring our 8th Grade Graduates  
during this final drop-off day  
and hope you can celebrate with them!

We encourage families to decorate their cars, make signs, etc.  
and drive through the lower parking lot to wish the 8th graders good luck!

- Please **stay in your cars** for this drop-off day.
- Just to be safe, we are asking that you wear a pair of gloves. The faculty will also be doing this.
- Parents with last names beginning with **A-L should use the upper parking** lot. Please use the morning drop off entrance.
- Parents with last names beginning with **M-Z should use the lower parking** lot. A teacher will be directing you as you enter the parking lot.
- If you are picking up a packet for another family, please **email me before 12:00 p.m.** on Thursday, May 28th so we can put these packets together.
- We would like these lines to move quickly, so we ask you to help us with this. Please just pick-up your family packet and leave the parking lot so the line continues to move.
- The homeroom teachers will be emailing you the homework turn-in expectations and the textbooks that need to be dropped off for this day. Please check the email from your child/children's homeroom teacher.
- For those families with multiple children, please make sure that your child/children's work and textbooks that are being turned in has your **child/children's name on it**. It would be helpful to have it in an envelope.
- If we had to cancel due to rain, we would reschedule for **Monday, June 1st** and follow the same schedule as the Friday schedule.
